

Miss Kansas

2022-23 Local Candidate's Social Impact Initiative Instructions

Your Social Impact Initiative is the initiative on which you will work alongside your Local and Miss Kansas Organization during your Year of Service. This submission allows you to explain to the local judges your subject matter choice, how you choose to advocate for it during your year, and the metrics you see for success at the close of your Year of Service. In addition, it should explain how your advocacy will further the mission of the Miss Kansas/America Organization.

It is important these instructions are followed since incorrectly submitted formats will be given to the judges.

Open Word in your computer.

Start a "new" document. Set margins for 1" on all four sides.

Using a font style of your preference, the font may not be smaller than "10" and no larger than "12" point type. Common font styles are Times New Roman, Arial, Calibri, Courier, San Serif, etc.

With the justification set for left, **type "Name:" in bold.** Following the colon (:), hit the space bar twice. Then, type your name.

Then, move to the next line and **type "Local Title:" in bold.** Following the colon (:), hit the space bar twice. Then, type your state title.

Double space down. Set your justification to "center". Then **type in bold and underline** the title of your social impact statement.

Double space down. Write what you feel is critical for the judges to know about your social impact statement and why it is necessary for you to have the job of Miss Kansas to promote this issue. What you write will be what the judges know about your statement, your role in successfully dealing with this issue, and the role the Miss Kansas Organization may play in your plans to advance your social impact initiatives. It is important these instructions are followed as forms will be forwarded to judges as submitted.
