After you have paid both fees, screenshot or print each registration to send to the Local Executive Director of the local you are going to compete in. You cannot begin the interview process until BOTH of the steps above are completed. This is in ADDITION to paperwork you submit that is required by the local executive director.

NOTE: You must pay another \$75.00 local fee (see step 2) for every local you compete in.

AFTER you win your local preliminary title, there is another minimum \$325.00 that will be due at a later date to compete on the state level for the title of Miss Kansas. That money will be due in late May before the state competition is June. The exact date due has not been decided currently.
