

# Miss Kansas

## VISITATION BADGES

The Miss Kansas Organization (the “MKO”) utilizes security badges that allow varying levels of access to different events and areas during competition week. Visitation badges allow the privileges described below to the badge holder.

All badges are the property of the MKO and may be withdrawn at MKO discretion at any time. Persons who let others “borrow” their badges for purposes of gaining unapproved access will have their badges revoked and face revocation of tickets to all remaining MKO events. Titleholder safety must be a concern for participants at every level. The badge request form guarantees that every titleholder and local director approves of the persons receiving badges and feels confident that each will be a positive support to the titleholder.

Badges will be available for pick up in the competition office at Pratt Community College by June 2<sup>nd</sup> during competition week. Suitable dress attire is required at all functions. Badges are not required for individuals age 2 and under.

### **Badge Cost**

**\$20/week**

### **Payment & Form due**

**March 28, 2020**

### **Badge Cost**

**\$30/week**

### **Payment & Form due**
