Miss Kansas titleholders are asked to bring an auction item with \$100 minimum value for the Miss Kansas Scholarship Silent Auction. For a silent auction to be effective, it needs to be unique and contain interesting items. Every package should encourage bidders to think about how much money they want to spend in support of the Miss Kansas Organization (MKO).

Often, it's tough to come up with creative ideas for silent auction items. You need items that are both easy to procure and valuable enough to have a successful fundraising event. Listed below are some great ideas for amazing items for you to consider. Items will be presented in a silent auction online prior to June 9th and then in person June 9-11th. Bidding will conclude after intermission of the Miss Kansas Competition finals on Saturday night. *Please do not include alcohol or weapons.*

The Miss titleholder whose silent auction item that yields the highest bid, will receive a cash award of \$250.

Items do not have to be presented in a basket/container. If the item is a gift card, tickets, etc., it can be presented in a frame or decorative flyer. The items should be able to be presented in a 2' x 2' area.

Auction items must be delivered at Miss Kansas registration in June. Please include your name and title on the item, along with a description of the item(s).
